

## Delivering Powerful Solutions to Secure Business

For 18 years Kudelski Security has partnered with F5 Networks to solve challenges for enterprise customers. The combination of F5's industry leading technology with Kudelski Security's wealth of operational experience has enabled hundreds of successful implementations across the financial, media, and public sectors.

Kudelski Security has decades of experience designing, implementing, and supporting enterprise security solutions using F5 products, including managed services such as L1/L2 support for F5. In 2018, Kudelski Security was named in the top 20 Managed Security Services Providers (MSSPs) worldwide by MSSP Alert and a Leader in emerging MSSPs by Forrester. With around 300 engineers and security professionals, and operations across the US and Europe, Kudelski Security has the breadth and depth of talent to design, build, and manage powerful F5 solutions for all enterprise environments.
